## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 19-28 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The "common rules of bits of the addresses" (claim 19) as mentioned on line 22 of page 3 of the claims is too general and has no clear referent in the specification. The examiner suggests a revision of the specification or another amendment of the claims.

### ***Allowable Subject Matter***

Claims 12-17 allowed. The following is an examiner's statement of reasons for allowance: The action taken by the applicant (moving the objected claim, claim 18, into independent claim 12) has made these claims allowable..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chase Peers whose telephone number is
